

iSi[®]
inspiring food.

Sales sheet

iSi Thermo XPress Whip PLUS.

The self-service, free standing cream whipper with thermal insulation.

For easy preparation of fresh, pure whipped cream, delicious desserts, whipped soups, sauces and finger food. The iSi Thermo XPress Whip Plus is perfect for use in cafés, bakeries, hotels and catering.

Benefits

- Creates a volume of whip many times greater than from other preparation methods such as a whisk, hand mixer or creaming machine
- Reduced costs due to double to five times the output
- Time and labour savings through efficient mise en place
- Keeps food warm or cold for up to 4 hours
- Especially suitable for self-service at the buffet
- Attractive appearance and freshness from the first portion to the last
- Mobile, flexible and space-saving
- For cold and warm applications

Product Features

- Free-standing whipper with innovative lever operation - for easy, smooth and safe portioning
- Stainless steel bottle and head - designed for professional use
- Double-walled, vacuum-insulated stainless steel bottle with insulated device head for maximum thermal performance
- Completely dishwasher safe. Decorator tip and adapter can easily be removed for periodic cleaning
- Non-slip silicone drip-tray with stainless steel plate - for clean workstations
- 2 years warranty
